(All TCSA Board and Committee Meetings are held in the Tangi Academy Student Services Building)

1. CALL TO ORDER

A. Roll Call

2. REVIEW FOR ADOPTION OF ACADEMIC GROWTH PLAN: Ms. Prescott shared her personal professional growth plan and strategic plan for the academic growth of Tangi. It is attached. The committee discussed and will expect reported data on the first Math and ELA benchmark testing to occur the sometime during the last week of Sep. and the first week of October.

3. PREVIEW OF PUPIL PROGRESSION PLAN: Pupil Progression plan was presented to the committee with the report that we still have not gotten any feedback from the State that requires us to change or amend anything. Ms. Prescott informed the committee that she did not expect any feedback until the end of October.

4. REVIEW OF ACADEMIC POLICIES

- A. Academic Proficiencies :** Management of testing data will happen three times this year with target strategies going to our deficits in order to raise our scores. Ms. Prescott reminded the committee that the school was only one point from an F. Although, it is the plan to push for the C. She is more realistic in expecting that we should not be surprised if we were closer to an 2.8 or 9.
- B. Curriculum:** The report of the curriculum changes with Math and ELA are going fine. We are still short of the electronic test bank and are ordering that and the workbooks to accommodate the extra students placed in the 1st grade. Ms. Prescott shared that she will be expecting to order a full curriculum for Science and Social Studies next year and that she will be looking at curriculums early in the spring.
- C. SLT's – Student Learning Targets:** Teachers are developing their SLT's now, to be due in the last part of October. Ms. Prescott is asking that one of the two be based on the hard data from our first benchmark testing. Those will be available when completed.
- D. Classroom Culture:**
 - **Grump Meter:** Explanation was given of the implementation of the 'Behavior Plan' that helps our students learn to regulate their emotions.
 - **Teach Like a Champion** – Explanation was given regarding the on-going Professional Development in the area of classroom management.
 - **Policy/Procedures/Protocols/Rules** – Ms. Prescott shared that the leadership team is working on these and will be putting them into place as the manual is created. We have very few when it comes to faculty onboarding.
- E. Classroom Newsletter Policy – paperless: review of policy** – Further discussion deferred to next meeting.
- F. Tutoring by Faculty:** A pilot for a tutoring program is being instituted by Ms. Roberts, 2nd grade teacher. She will start tutoring her weak in Reading – students and the data from that will come with the outcome on the first report card.
